“Now is the Day of the sounding of the Seventh Angel, when the mysteries of Heaven are revealed, and time will be no more”

* * *

Now is the time when humankind shall realize that they are not limited to the Earthly reality – that the very Gates of Heaven have been thrown open to all humankind, to once again explore these realms in wonder and awe, and to fully realize the Divinity of your own humanity!

There is no longer anything separating the Heavenly and Earthly realms as these last partitions are being removed now, and you are free to explore upward into the Heaven realms, into the fifth dimensional realities which heretofore have only appeared in your legends and ancient memories of the human race.

This is a huge a reorganization for the energies of Earth, and it will affect everyone in different ways. Many people are feeling very challenged now, with many of the so-called “ascension symptoms” that affect the physical body as well as the emotions and the mind – but know that none of these symptoms are important or lasting – they simply signal the huge changes that are going on within you and are not meant to capture your attention in fear or concern, because they are "fleeting as the night before the dawn," and will disappear in time as you find that your emotional state will once again right itself if given time to process all that is now occurring for you personally, as well as what is being brought to the surface by many of these outer world events which seem to cause such devastation for many, or to abruptly change people's lives in an instant.

Those of you who are aware of the higher purpose of this process are the Ones that are charged now with the Light, Power, and Knowledge to hold these higher energies as they are once again reunited with Earth – as you lift up into the Heaven Realms of consciousness, you are the "lightning rods" between Heaven and Earth that allow these higher energies to once again anchor deeply within Earth. This is the Day of the Seventh Angel when Heaven is once again reunited with Earth through your power, through your love for Earth, through your presence on the Earth to BE -- IN HUMAN FORM --the connection between Heaven and Earth – to once again restore her to her primal beauty and pristine state, as has been told to you through the images and ancient memory of what has been called the Garden of Eden.

You are in this state now in the etheric realms when you lift up into the consciousness of the Heaven Realms – so REALIZE THIS – there is nothing blocking your entrance into this state of pristine beauty,

harmony, and peace. You are free, even now, to walk through that doorway into these realms and to live there in your state of consciousness, as all of this, through your Light, your Love, your Power now begins to fully manifest on Earth.

You are the Creators of this Divine State now beginning to appear in the Earthly realms. You are the Creators of HEAVEN ON EARTH! We tell you these things because we want to bring to your conscious minds NOW the exceptional opportunity that exists for all of you in the present moment to realize that everything you have worked for, for eons of time, is NOW AT HAND and this is your moment TO SHINE! ARE YOU READY?!!!

Star's Note:

This is why it is so important for all of us now to have and use the documents for Creating Sacred Ceremony – to invoke the “Light of A Thousand Suns” to return to Earth, and to use the Violet Transmuting Flame to transmute NOW everything that is being brought to the surface by this tremendous Light of the Divine Presence of Suns beyond Suns.

As the debris of humankind's creations – done through our misuse of our creative abilities of thought and feeling -- are now removed from the Earth, this is what will allow the process to take place of the return of the physical presence of Heaven to Earth.

Once you are charged with this Light, with this Knowledge, it is needed that you bring it forth to the world!

THE BLESSINGS OF THE ANGELS

“In the Day of the Seventh Angel, when He shall sound, Heaven shall return to Earth and time will be no more!” Words conveying this Truth were spoken by many of the ancient prophets and seers, of all that would be revealed to humanity in the present Age of Aquarius, with its keynote, the 7th Ray of the Violet Fire. All of the ancient prophecies about this time are now coming true and being manifested upon the Earth by the conscious Workers of Light who download these frequencies and, as Co-creators with the Divine, begin to manifest this Light now – into the world of form, for the benefit of all humanity.

This is your job now upon the Earth! Having heard these words and received this knowledge, you are charged with this Light, this Knowledge, and this Power, to once again BE the Hand of Creator upon the Earth and return this Heavenly Light to the Earthly sphere. We, the Angelic Host, now charge you with this Light, as our Gift of Love for all humanity. Accept our love, in praise and blessing for who you are.

You are the Ones who were foretold upon the Earth to come forth now, at this time, and bring this great Blessing for all humanity, through the work of your hands, through the knowledge of your minds, and the strength of your hearts!

It is done!

So Be It!

I AM!
