Dearest Ones, we would see you

Cherish and celebrate the uniqueness of who you are

Because there will NEVER be another You!

Though your soul may incarnate

Through other forms, in other timeframes, other worlds

Yet there will never be created ANOTHER, just like you!

Do you realize what this means?

The preciousness of this moment!

When you are on the Earth – HERE and NOW

With the opportunity to BE – All that you can be!

It is beautiful! What a promise!

Here you Are

To do what ONLY YOU can DO

And to BE, as ONLY YOU CAN!

Hold the preciousness of this knowledge

And the full import of it

Within your hearts – forever!

As you traverse fully on this Earth

The length and breadth of your Destiny

Eons may come and go

The Earth may spin a million times around the sun

You may incarnate many times upon the Earth

Yet, in all of this

And throughout all these ages

And the billions of souls coming and going

Through countless incarnations

Yet, there will never be another YOU!

Your uniqueness is forever stamped  
Within the memory of your soul  
So the record of it will never be lost  
But what we are wishing to say to you is this

Seize the moment!  
For the passage of time waits for no man  
The hours are fleeting  
As the flowers on a summer's day!

Your soul is etched in Eternity  
Yet you are like the flowers  
Born to bloom on a summer's breeze  
And be gone with the cold winds of winter  
When the snows come and blanket the lands

Time is short, my Beloveds!  
To do all that you can do  
To create all that you wish to create  
For the beauty of Earth!

We send you much love  
For the blossoming of your soul  
Into the full realization  
Of the richness within you

You know not who you truly are  
A child of the Heavens come to Earth for a day  
In the Eternity of Time

Blessed Ones, hold your soul within your hands  
Tend it, and love it as only You can do  
Nurture and nourish All that is within you!

Bring your destiny to fruition!  
We await the moment  
Of your full realization  
Of Who You Are!
