As I come into the Stillness of this Sacred Moment, I begin to quiet my mind and release all thoughts to another day.

I AM lifted into the consciousness of the Divinity which is within me, in my sacred Heart Center, and I join in the Oneness of this Light, feeling myself immediately lifted into Union with my Divine Presence.

Within the Sacred Oneness of this place, I am joined with the All-That-Is, and I consciously experience, in a tangible way, my Oneness with All Creation. From this vantage point, I begin to experience a Radiant Light from our physical Sun, and the Spiritual Beings who stand within, and have created, this physical presence -- Helios and Vesta. These Illumined Beings at once project their most potent Love and Healing vibrations to me, to surround me in this Light – and I feel myself NOW lifted another OCTAVE of energy into the Divine frequencies of their Presence.

Oh Beautiful Beings of Light, Come Forth Now! Beloved Ones! Helios and Vesta! Who are the male and female aspects of our solar system’s Sun.

This Radiant Light surrounds me, in an instant, and penetrates through to the very core of my Being! And I am illumined by this Light -- held within the Divine Oneness of their Presence, in this Sacred Moment.

Enfolded in the Radiance of their Light, and the Divine Embrace of these beautiful Beings of the Light, I begin to experience Oneness with all Creation, Oneness with the Divinity within my Heart, and I am lifted out of the consciousness of sickness, disease, or suffering, into the Divine Truth of my Immortal Perfection. This eternal Truth NOW blazes through every cell, atom, and electron of my Being – carrying the Message of ONENESS in the Light of the All-That-Is!

And this Truth, this Light, is anchored NOW in the core of every cell of my physical body. I am resplendent in this Light! Shining like a Thousand Suns, throughout the Immortal Truth of my Illumined Presence on the Shining Star, which is OUR EARTH!

Thank you, Radiant Ones! For your Love, your Power, and your Presence!

It is Done. So be it. I AM.
