There are many who are holding the Light, that you may realize who you are. I am Jeanne, I was known to you on Earth through the name Joan of Arc. I have come to you through the heart of this one, with great love for you this evening, as you have many trials and travails upon the Earth, as have been no stranger to me. I have known of this, as my life contained much of what you have all experienced on Earth. I bring few words, but I bring the message of hope and love, and the possibilities of transcendent Life into what are, truly, the Divine frequencies, as are being opened for you this evening.

There are so many here!!!! Would that we could all speak to you and tell you of what is occurring, not only here, but on your blessed Earth, who is so loved by certainly all of us, as well as you. We bring you a message of love to support you in all that you are doing, all that you know, and all that you will be attempting. I give you my message of hope! Even when the days look the darkest, know that there is Light!!! This is what sustained me through my trials on the Earth, is the knowledge that at the end of all of this, there is the re-union with Spirit, and the One who just spoke to you!!! (Jeshua/Jesus). He was my guide, my great teacher, and my soul's purpose for incarnation. I carried my sword for His Glory, and His Purpose, and was guided by His Light, and my love for Him is eternal, and certainly undying, as it still exists.

I bring you this prayer, that you may face the challenges of each day with joy and certainty, and the absolute knowledge that I stand beside each of you with my sword, and my strength to give you courage to meet the challenges as will be facing you as you change what is occurring now on the Earth and have the courage to make these changes, and to shine your Light, and to BE WHO YOU ARE!! BE TRULY WHO YOU ARE!! as I had the courage to be who I am, and to stand for the Light, even in the face of death, I stood.

**MAY YOU DO THE SAME, IN PEACE AND IN JOY AND IN POWER!!**

It is my prayer for you, dear ones, that you exist in peace and in love.
