I have come before you now to give you some perspective on these times in which you are living. None of you believe that you are ready for what is coming -- yet I, Jeanne, will tell you that you WILL DO the impossible to carry forth everything that you have sworn before God that you will do!

You must have this fire that is within your soul – that is within your soul’s presence – and that is what brings the fire of your soul into your body, and you must allow this! You must stop thinking about the worries and the doubts, and the "what if's" and the "who might's." If I had worried about all of this, I never could have done what I did upon the Earth -- to give the gift to the King of France, to be upon a throne, to be crowned in the Cathedral before me – the king of a great people, and a great presence upon the Earth!

And this is what you are all going to bring forth NOW, is this knowledge, deep within you, that I stand before you as I stood before the King of France – to give him the strength to DO what he knew that he must do, for his people! And I say the same to you, as I said to him, so long ago: "The people await you, sire!" They await your great presence to lead them forward in the knowledge of what must be done for the Will of God to BE, once again, returning to Earth – that ALL may be done by His hand, and the hand of his Son, and His many daughters upon Earth.

As I look out and see you all, my heart goes out to all of you -- to BE HERE in such a time upon Earth and to have the great challenges which you are faced with daily! It is not easy to be a human being here at this time on the Earth. I am glad that I am not incarnate at this time – that it is YOU who takes my place now, upon the Earth, to walk upon her breast and to carry the Will of God to be DONE, wherever you walk, wherever you go!

KNOW THIS POWER IS WITHIN EACH OF YOU NOW! And I will not say that it is not! Because you know the Truth of my words! You know who you are! And you WILL come alive to this fact! You WILL hold these great energies that are being released to people, even now. You will open up to this – to allow it to come into your bodies and to enliven every cell of who you are! Do not be afraid! DO NOT BE AFRAID TO **BE** THE TRUTH OF WHO YOU ARE!

I will tell you, if I had been afraid, I NEVER COULD HAVE DONE what was done by my hand on this Earth by the Will of God for the benefit of my people. I WAS the HAND OF GOD on Earth – and I did HIS WILL, as shown, through me, to the people. And His Love came forth through me as well, because if it were not for this Love that I felt, I never could have done what I did! It was the love of my heart that carried me forth into battle, in armor upon a horse, with my standard with the name of Jesus and Mary! And it was their great power that protected my life in battle, and no one could stop the Will of God to be done that day!

When I carried their flag, it was the Will of God! When I rode in battle, it was the Will of God! – It was the presence of all that is Divine – and that is what will come through EACH OF YOU! It is not your outer presence that does this work – it is the Will of the Divine that shines, even now, through your eyes, through your presence, through your hearts.

So let it shine through you – do not stop it by these petty thoughts, these small fears that have NO POWER OVER YOU, WHATSOEVER! They have no power over me! And it will not be allowed over you, as well, because of my words! Because you hear my words, you are FREED NOW to do the Will of God on this Earth -- for all humanity to be free into the New Age -- into the new Light that comes now for all people to know the Freedom of a new King, and that will be the One that you know as Jesus! He will BE the King of Earth by my hand, and it shall be done in this way! And I will not stand for opposition on this point by these petty worries and fears which come upon all of you and hold you in their grasp, as if paralyzed by fear.

And I tell you now -- it shall not be done in this way! IT SHALL NOT STAND! Because of my power – that I bring it forth now to free you from the grasp of all of this, by my sword, and my strength, and my will, and my love! I give each of you the gift of my Shield, and my Armor of Light, and the Sword of my Wisdom – to guide each of you now to your Destiny upon Earth.

It is my greatest wish, is to see the fire ignited within the breast within each of you. To see the knowledge that comes to you now – to know that when you hold these great gifts as I have given you, nothing can stop what will be done then -- and it will BE the Will of God that will be done on Earth BY YOUR HAND! It shall be done, by my will in this place -- to give you these words, this message, and my gifts -- to strengthen you for all that is coming for Earth!

And He stands with you now, the Beloved, Jeshua, and Mary, the Magdalene, and Mother Mary, they stand with you now, to bless you, to heal you! Do you feel their Light! Do you feel their Power, and their great love for each of you, that they bring now into this sacred place? Because of your love for all of us, it may be done! And they come, to strengthen you for the task at hand -- for ALL that is coming before you now.

We all come, with great love -- to love you into the FREEDOM of who you are, of who we see you ARE! Each of you! The Divine Light shining through your presence! And it is done -- it is complete -- and you are made whole -- within this Light, and by Her blessing and Her love. As their hands clasp, their Power and their Love come together in this place. Feel the blessing that they bestow upon each of you now, to love you into the freedom that is within your hearts -- to carry their Light, their Words, and their Knowledge – and to do the Will of God on Earth!

It is done! Thank you for allowing me to speak to you this evening, you have my heart,

I am Jeanne

Adieu
