

“IN THE PRESENCE OF THE LORD”

The Winter Solstice

December 21, 2014

**High in the Celestial Spheres
of Light**

Where Angels sing

**The crystal tones ring
forth**

Heralding the King!

Not of Earthly origin or kin

But from Celestial realms

Does He come. . .

Heralding the arrival

Of a New Day on Earth

The Golden Age of Peace!

When wars have ceased

And the hungry have

Been fed

When mankind once again

Walks with Angels

The clouds are alight

With Angels

Heralding His approach!

From the Divine Realms of Light

Does He come!

From Creation's Primal Source

Which is His home

Blessings to all the Earth!

The Lord has come!

And we are Now

In the Presence of the Lord!

Star's Note:

The significance of this spiritually-inspired poetry is the heralding of the Christ Light's return to Earth in extremely high vibratory frequencies of energies not experienced on Earth since the Fall of Man. This sacred event occurred between the Winter Solstice of December 21st, 2014 and the celebration of Christmas.
