**Jeshua (Jesus) – Easter Message**

Dearest ones,

Realize that you – each of you – Awakened Ones, now has the opportunity and  
ability

to BE, through the expansion of your consciousness,

The Resurrection and the Light  
of the World  
to all Mankind  
to all fallen consciousness  
to BE the transmitters of Great Light  
to All the World  
for the final Resurrection  
of all Consciousness  
on this Blessed Planet  
The Earth

Use this mantra and affirmation daily and hourly – now in this time of great need on Earth, “I AM the Resurrection and the Light,” and allow the full meaning and import of these words and the energies which they carry to illumine your Being and Consciousness with Light – that you may BE a conscious embodiment of the Resurrection Flame to your fellow human beings.

Carry this message and these words to your fellow human beings in the energies of love which you hold in your hearts, as a remembrance of me, forever!

Jeshua, One Who Loves You

### Star's Note:

Easter is a beautiful time of celebration of the re-birth of all life on Earth, as the energies of the Resurrection Flame come forth and stimulate all the nature kingdoms as well as human beings to rise to the next highest level of their being and awareness. This is a time of great opportunity for all of us on Earth, as Jeshua is saying, to focus our attention on the Light and Power of the beautiful Resurrection Flame, which he used to raise his body from a state of what we call "death" to resume its functions in what we recognize as a state of "life."

Through the power of our intention and focus, we can call forth the Sacred Fire of the Resurrection Flame to blaze through our four lower bodies -- physical, etheric, mental, and emotional -- to clarify and revitalize our energies, and to raise us into a higher level of our Divine Being!

For this focus on the healing of our four lower bodies, we may use the affirmations of the Master Jesus, "I AM the Resurrection and the Life of Perfection," or also, "I AM the Resurrection and the Life of My Divine Plan, physically manifest here and now." It is also beneficial to call upon the Beloved Spirit of the Resurrection Flame, Goddess Hope, the Divine Complement of Archangel Gabriel, of the Fourth Ray of Divine Perfection – the Crystal White energies – to enlist her aid and assistance for healing and the removal of all causes of discord, disease, and death.

If you would like to create Sacred Ceremony to contact the Goddess Hope and call forth the beautiful Resurrection Flame, you may use the following invocation to open your Sacred Space and unite with the fifth dimensional energies of the Beings of Light – who await only your invitation to bring the Illumination and Love of their Divine Presence, to lift your consciousness into the higher energies where you become One with ALL LIFE! There you may use the power of the focus of your consciousness to invoke the beautiful Sacred Fire of the Resurrection Flame for the purification and rejuvenation of your four lower bodies during this special time of Easter, when we celebrate that beloved Jeshua ben Joseph also used this Sacred Fire for the transformation and resurrection of his physical form within the Divine embrace of the Creator of All-That-Is.

Dear God, Buddha, Mother-Father God, the Goddess Energies, *(whatever you wish to say),*

*(You might like to stand and face each of the Four Directions, and connect with their energies as you say the following.)*

To the East where the Sun rises -- to the West where the Sun Sets -- to the North where the cold comes from -- to the South where the warm winds blow,

Father Sky, Mother Earth, please create a column of White Light from the ethers of the Heavens to the very Heart and Core of our Mother Earth. Please extend your protection to the corners of this room, the building, and the surrounding area. I ask that this protection be around me while I meditate.

We ask that the energies necessary to carry out this work now be allowed to travel the Light safe and sound from the fifth dimension and above only please, to carry out this work to the best of everyone's abilities.

Any souls gathered here, please now step into the Light and return home, both to meet your loved ones who have gone on before you and to further your own soul's purpose. We ask that this work be carried out in peace, harmony, and most of all, in love.
