Many people have searched and fought – and even died – for the experience and concept of freedom. But where, ultimately, does freedom exist? It is not "without" – or outside yourselves – and, therefore, dependent upon outer circumstances.

Your real freedom is not controlled by the circumstances that surround you, as Nelson Mandela realized during his 27 years of imprisonment. He discovered the ultimate freedom which exists eternally in the hearts and minds of humanity, and so he had the experience of freedom, as he later described it, even though his body was confined in a prison – from which he was eventually freed by this fire of Freedom's Flame within his heart, mind, and soul.

During this experience, he conceptualized himself as existing in a state of freedom! And even as he claimed the Divine Right of Freedom for himself, this eventually resulted in his release from the outer circumstances of imprisonment. In this way, he was able to manifest a state of Divine Freedom in his life! And so you may – all of you – experience the freedom of the soul made manifest now in your outer reality – and thus see this reflected in the circumstances of your lives! Yes, this is what so often occurs: As you conceptualize yourselves, so this is reflected in your outer experiences.

Be aware of this gift that you have! The ability to mentally and emotionally create on the higher plan and have this reflected in the circumstances of your lives. You are not prisoners of anything – unless you believe that you are – and, therefore, unconsciously give these circumstances power over you, the power to affect your experience. Be constantly aware that no outer circumstance has the power to control the creative ability of the Divine Mind within you.

You stand on the cusp of the greatest shift ever to take place for humanity – the Age of Freedom – now dawning upon the Earth. Realize your ability to consciously create the circumstances of your lives – for as you BELIEVE it to be, SO IT WILL MANIFEST! You are, each of you, powerful beyond your knowing when you consciously align with the divinity within you – and the eternal power and creative ability this contains. Focus and meditate on this concept, dearest ones, and free yourselves from all restrictive circumstances that would seem to have the power to limit your divine right to co-create on the higher plan now existing in fifth dimensional reality.
