Introduction by Star Hinman

Through the mercy of Heaven, the information and energy of this Divine Activation of Light was transmitted to humanity from the Ascended Realms in the early morning hours of Christmas Day 2018, when the heavenly realms opened and were charged with the energies and vibration of the Solar Christ Presence.

For humanity, the Patterns of Our Divine Perfection, which contain the blueprint reflecting perfect health, peace, abundance, enlightenment, joy, and love, are recorded and stored within our Solar Christ Presence. These things are a part of our Divine Birthright, as Sons and Daughters of the Creator of All-That-Is. They are held in "sacred trust" for us by our Solar Christ Presence, until such time as we are able to lift up in consciousness sufficiently to fully receive and embody these refined, extremely high-vibrational energies which contain the Divine Truths of Our Being.

The spiritual hierarchy tells us that humanity has now lifted up in consciousness to the place where we are now able to make this healing connection with a higher part of our divine heritage, our Solar Christ presence.

Our Divine Heritage

When our identity and essence is first breathed forth from the Heart of the Creator Presence within the Great Central Sun of the Milky Way galaxy, our energies are in the form of the White Fire Being, which is comprised of electronic light substance. The energies of this Divine Being are further stepped down in their vibratory frequency, and the Twin Flame energies of our I AM Presence become manifest within the higher realms of reality, surrounded by the Causal Body.

Gradually, these energies, also, are stepped down to our Solar Christ Presence, and from there, the energies are again stepped down and connected to our human selves in the physical bodies which are our vehicles in this dimensional reality on earth.

The Silver Cord connects all these aspects of our divine identity, from the Creator Presence, through the White Fire Being, the I AM Presence, and the Solar Christ Presence, all the way to

our Four Lower Bodies on planet earth. In this way, we always maintain our connection to the highest parts of who we are, all the way to our Divine Source. This knowledge is powerful for human beings, because we can claim and use this divine connection for healing and manifesting the highest levels of truth about our being.

This is the purpose of the Activity of Light presented here. It is meant to assist humanity to connect the Patterns of Perfection held within our Solar Christ Presence, to the intelligence of our Four Lower Bodies – so that the Patterns of our Divine Perfection may travel through the Silver Cord and be anchored within the Three-Fold-Flame of Divinity within our Heart Center. In this way, we have access to the records and energies of our own Perfection, so that these may be outpictured within our Four Lower Bodies: physical, etheric/spiritual, mental, and emotional.

In the following activities, we will invoke the presence, Light, and Intelligence of Divine Beings – for the purpose of requesting their assistance in connecting the Patterns of Perfection, which exist in the energies and intelligence of the Solar Christ Presence, with the Intelligence of the four lower bodies, the physical, etheric/spiritual, mental, and emotional aspects of who we are, in order to effect healing and enlightenment.

So that you can connect strongly with the Ascended Realms, you may first quiet your mind and emotions and attune to the Divine Intelligence of the Beings of Light in the Higher Realms of Perfection. In order to assist with this process, we are providing the following information regarding creating your sacred space.

Creating Your Sacred Space For Meditation and Receiving Spiritual Healing Assistance

Note: Once you become familiar with the process outlined here, you may feel that you can accomplish your connection with the Higher Realms very quickly, or instantly, and complete this process without repeating these words each time. Know that this is easily done through your strong focus and intention.

You may say these words aloud to create your Sacred Space. The suggestions are in Italics. If you wish, you may also download and print this document from the Creating Sacred Ceremony page on our website at www.starbird1.net

“Dear Creator of All, Buddha, Mother-Father God, the Goddess Energies,” (whatever you wish to say)

(You might like to stand and face each of the Four Directions, and connect with their energies as you say the following words.)

“To the East where the Sun rises -- to the West where the Sun Sets -- to the North where the cold comes from -- to the South where the warm winds blow,

“Father Sky, Mother Earth -- Please create a column of White Light from the Ethers of the Heavens to the very Heart and Core of Mother Earth. Please mirror this Light all around, above, and below, reflecting back the energies of any negative thoughts, words, or deeds that may be being sent, to those sending them, with Love and Light. Please extend your protection to the corners of this room, the building, and the surrounding area. I ask that this protection be around me while I meditate.

“We ask that the energies necessary to carry out this work now be allowed to travel the Light safe and sound from the fifth dimension and above only, please, to carry out this work to the best of everyone’s abilities.

“Any souls that may be gathered here, please now step into the Light and return home, both to meet your loved ones who have gone on before you and to further your own soul’s purpose.

“We ask that this work be carried out in peace, harmony, and most of all, in Love. Amen.”

(When you feel that you are centered and prepared, you may continue with the Invocation which follows.)

The Invocation

We invite the Assistance of the Divine Beings of the 7th Ray

Note: You may use these words, or fashion your own, according to your own wisdom and spiritual guidance. Note: You can’t “do this wrong!” So you do not need to worry about this process. It is your INTENTION that carries the energies and the FOCUS of your consciousness which allows and directs all of this activity to take place.

You may say these words aloud, or silently think them, or simply form your strong intention that this Activity of Light is taking place. All of these options are effective.

“Beloved Ones, please assist me in this Invocation of the Light:
Lady Portia and Count St. Germain, the Co-Directors of the 7th Ray of Divine Perfection; Mighty Arcturus and Lady Diana, the Elohim of the 7th Ray; Beloved Zadkiel and Holy Amethyst, the Archangels of the 7th Ray, and the accompanying Angels of the 7th Ray. *(You may also include your guides, spiritual teachers, and any other spiritual beings with whom you feel an affinity.)*

“Beautiful Ones, please overlight me with the energies of Your Divine Presence, and assist me to form a strong connection, through the Silver Cord, with the energies and intelligence of my Solar Christ Presence.

“I invite my Solar Christ Presence to connect with me now, through the energies Of The Silver Cord.” *(Take a moment and feel this connection as it develops.)*

As you focus your attention on your Solar Christ Presence, be aware of consciously connecting, through the Silver Cord, with the patterns of your own Divine Perfection in human form.

Become ONE with your Divine Perfection! Know, feel, and trust the divine intelligence and power that is within your strong intention to accomplish this Activity of Light. You are powerful beyond your knowing, when you have blended your energies with the Divine Beings in the higher realms who are assisting you in this process.

You may say these words aloud, speaking to the divine intelligence of your Solar Christ Presence: “Blessed One, please instantly transmit to my 4 Lower Bodies (physical, etheric/spiritual, mental and emotional) the Divine Patterns of My Perfection, which you hold in Sacred Trust for me. I am ONE with you!”

The following is an example of wording you may use, or you may create your own:

“In my physical body, please instantly imprint the Divine Patterns of Perfection for human form: Eternal Youth, Radiant Beauty, and Perfect Health. In the name of the Almighty Creator of All Things, I claim these divine qualities as a part of my Original Plan of Creation.

“I instruct the Divine Intelligence within my physical body to receive these Patterns of Perfection and immediately began to integrate these, so that they may be effortlessly outpictured in my physical form, within the embrace of the Creator Presence.”

You may use your own words to create Invocations for your etheric/spiritual, mental, and emotional bodies.

The Affirmations

You May Wish to Say These Affirmations of Divine Truth Aloud

Divine Perfection and Intelligence now takes precedence over all else within my system and begins the process of manifestation within my four lower bodies (physical/spiritual, etheric, mental, and emotional) as I repeat the following Truths about my being:

I AM ONE with Divine Source energy.

I AM the PERFECTION of Divine Source Intelligence.

I AM the RADIANT LIGHT OF CREATOR -- made manifest, here and now, in human form.

I now call upon my Solar Christ Presence to strengthen its permanent connection with The Three-Fold Flame of Divine Love, Wisdom, and Power within my Heart Center.

It Is Done

So Be It

I AM

As You Think, So You Are!

A Message from Mighty Arcturus and Lady Diana, Elohim of the 7th Ray

Note: The Elohim are the Mighty Builders of Form, who are responsible for the process of manifestation in the realms of earth, air, fire, water, and ether on our planet. Therefore, they offer their assistance to humanity in the manifestation of this Divine Truth within our Four Lower Bodies. Remember to call upon them for assistance as you use your "Creating Your Sacred Space" document.

They tell us:

Now, as you go about your daily activities on earth, focus upon the Divine Truth of Your Being, and the words of this Sacred Invocation, as has been given. Do this as often as possible, until it is permanently anchored within your hearts and minds, and throughout your physical world reality.

Constantly fill your consciousness with this information!

Claim this Divine Truth of Your Being, daily and hourly. It is your birthright as sons and daughters of the Creator of Heaven and Earth – and All-That-Is!

You ARE the Light -- the Love, Wisdom, and Power of Divine Intelligence, now fully manifesting on earth. Claim this, dearest ones, and know that it IS NOW made fully manifest within you!
