Channel's Note: It is Lady Portia's stated goal to teach us by example in the ways of compassion, and she speaks to humanity often, to soften the heart, and to bring "a greater understanding in the ways of the heart." Of course, she is not speaking, necessarily, of romantic love, because, as she says, she considers it more important that we are able to see our fellow human beings, with all their misdeeds and frailties, through the "eyes of compassion." And, of course, the first step in this process, is always learning to have compassion and love towards our SELVES!

And Lady Portia says to us now:

One cannot extend to another that which has not been learned, through patience and practice, in one's own heart! And, when you have learned this, then you will truly KNOW each other, by looking through the eyes of the heart! Dearest ones, judge not that which you do not truly understand, for who among you may know the inner heart of another? None of you are able to see each other as we in the Higher Realms see you, as being full of love and grace, even when the outer activities do not reflect this Truth. Observe with compassion that which you see among your fellow human beings, for, truly, you do not know the path which they have walked – with all its challenges and stumbling blocks!

Know that I say this to you with all love, and the total understanding of what it is to incarnate on such a planet as earth – where there is both the manifestation of good and evil. If it is possible for you to do so, overlook the evil, and see the good –because all evil shall soon pass from the earth – and be no more. Until that time, remember my words, and the love that is in my heart for each of you, because I see the "perfect human that you are," as well as the challenges of the earthly path which you must walk. And one day, we will meet again, face-to-face, when, once more, you find yourself entering the doors of The Great Hall and appearing before the Board of Karma, requesting to be, once again, on earth – to continue your studies in "the schoolrooms of learning!" Until that time, walk with grace, and may your steps be guided in love, and by compassion!

I AM Portia

## **Poetry Inspired by Lady Portia**

Through the Veil of Tears on Earth, She walks

Beholding the Great Suffering of Humanity,

A Lady with a Lamp -- of Illumination

For the Forgotten

And Downtrodden

Masses

Bestowing Light, Love, and Peace -- She walks

In Robes of Purple and Violet hues

The Crown of Divinity upon Her Head

A Seven-Pointed Star of Light

Her face – Serene and Loving,

As the tears of compassion

Flow from her eyes,

And fall upon her breast

Who will come to them, to lift them up?

Yet, once again, to Restore Them

To the Peace they Have Forgotten?

The words of her Heart

Are written in the Ancient Texts,

The Scrolls of Wisdom contain her words,

Given to Humanity over Centuries of Time

Her patience is Eternal

Her compassion, Never-Ending

Who will walk with her, to bring Knowledge to Humanity?

The Time is Near . . .  
The Day Approaches . . .  
For the Restoration of Humanity  
And the Return of Knowledge and Peace  
To Earth

Who will be her handmaiden or helper?  
Who will Volunteer for the Mission of Light?  
Thereby, Bringing words of Comfort and Inspiration  
To the World of Form?  
The Answer is within Your Heart!

### **Lady Portia: A Great Teacher of Compassion**

Channel's Note: In her position as Co-Director of the Seventh Ray of Divinity, Lady Portia, along with her Twin Flame, Count St. Germain, has been a Guiding Light to struggling Humanity for literally eons of time on Earth. As Chairman of the Karmic Board, she is a patient counsellor – steering us back to the Light, after the “Fall of Mankind,” our “Fall from Grace,” so long ago. It is her stated mission to awaken our hearts, that we may truly understand and love each other, even when there is so much hatred and division in our societies and among the nations of earth. It is her purpose, as she has said, to affect a reunion of humanity with the Divine Truth of our Knowledge and Purpose on Earth.

She invites us all to work with her now – in this joint purpose – to restore the Light to Earth. Who will be her handmaiden or helper? Who will volunteer for this Mission of Light? The answer is within your Heart.
