"THE HANDIWORK OF THE GODS"

Know that those of you on Earth in human form are "The Handiwork of the Gods!" You are, indeed, "More than Human," as many of you have suspected, or intuitively known, in your sacred "heart of hearts." We wish to tell you of these Truths of your Divine Origins, with this message. The Ancient Creator Beings who designed and assisted in forming humanity's physical vehicles knew and accepted this Truth. It is now time for humanity to know the Truth of your Divine Origins, as well!

In the large sweep of the Spiral Galaxy

Earth is but a speck!

A blue-green "dot" in this magnificent

Stretch of Infinity –

Humanity has long wondered about its Origins

Gazing up at the Night Sky – with its twinkling stars

Amid a Sea of Velvet Blackness!

Wondering . . .

Wondering from whence you came

And how it is that you have come to be here . . .

Now the Truth may be revealed!

You are "More than Human"

You are Divine!

You are
Of the origins of the “Gods of Old”
The Ancient Creator Beings
Who walked the Earth – before Mankind --
Before you were formed, yet you were –
In the Mind of these “Gods of Creation”
And they say –
“In the Days of Old, before your Memory,”
“Yet, We Were!”
The Ancient Ones
Who walked the Earth
And traversed the Starry Pathways of the Skies!
Come with us Now!
To walk the “Hallways of Your Memories”
As the Sacred Scrolls of Wisdom and Knowledge are Revealed
Written yet, deep within you,
Within the Secret Vaults of your Heart –
And etched upon the Genetic Codings
Of your very cells!
Within the DNA – the Double-Helix --
YOU ARE
LIGHTNING’S ETCHING!
The Writing of the Gods In Human Form!

Star’s Note:

When the Pleiadian Emissaries of Light transmitted this message to me in the very early hours of a spring morning, the Earth was yet in darkness, under a star-filled sky! At that time, they also provided the visual image which accompanies the words, “Lightning’s Etching.” This beautiful image is composed of a divine creative intelligence, directing a very powerful ray of illuminating energy, similar to a lightning bolt, into the newly-forming human DNA, so long ago.

This activity was definitely not an abrupt act, such as an actual “lightning strike.” Instead, the image is one of meticulous care and control, as a source of great power and intelligence actually “writes” the minute, complex, and extremely delicate codings of divinely-created intelligence into the double-helix strands of human DNA. This imagery is often the way these beautiful and loving beings are able to convey to humanity information regarding the majestic nature of our own formation and the divine process of our creation.

Additionally, the Pleiadians do not claim to supplant, override, or “overwrite” the work of the Godhead energies, the intelligence which is the “Creator of All-That-Is,” in this Divine Process of designing, forming, and creating human bodies for the “habitation” of the souls coming to Earth. However, they do consider

themselves to be the “Helpers of Divinity,” or the “Hands of the Creator Being,” at work, where necessary, in the creation of human form.

The Pleiadians say that they have “assisted in the design of these human bodies” – which are necessary, in order for all of us incarnating on the Earth to be able to take part in manifesting “The Divine Plan,” as outlined by the Creator of All-That-Is. Know that when you read the words of this poetry, as given by the Pleiadian Emissaries of Light, this process is designed to function as a “pathway” -- to make it possible for you to connect with this huge stream of creative energy and receive an immediate download of these highly-charged, Divine Essence Energies, into your very being, including the strands of your DNA, in order to fully energize and enlighten the DNA programs within your physical form. YOU ARE Lightning’s Etching!

And So It Is
